

BUILD HEALTHY MARRIAGES TO LAST A LIFETIME

How can we be married to one person for our whole life?

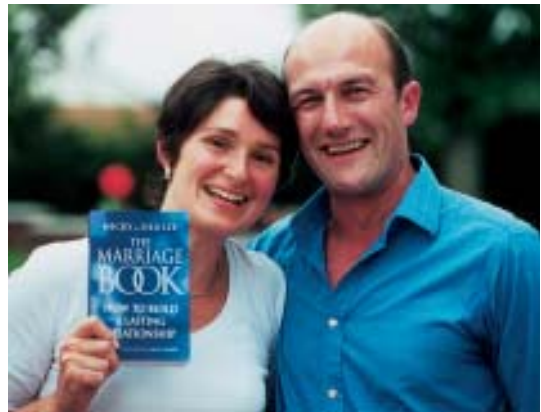

How do we resolve conflicts?

How can we discover and rediscover sexual intimacy with our spouse?

The Marriage Course is designed to strengthen, build and even mend marriages.

The Marriage Preparation Course is designed to help engaged couples to develop strong foundations for a lasting marriage.

Both use a simple DVD-based format that is easy for any married couple to teach!
